I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I  
OBJECT to the definition of "inordinate amount" which restricts the availability and  
the right to obtain necessary compounded medications by limiting the number of  
prescriptions that can be shipped across state lines from specialized  
compounding pharmacies.

Comments: I have Multiple Sclerosis - I  
rely daily on my medication I receive  
from College Pharmacy. I live in Missouri +  
my medicine is shipped from Colorado. Please  
do not deny me this right + privilege that my  
neurologist + I have seen the benefits and need!!  
My quality of life would be threatened Eileen Stuckert
